ATLAS OF NEW ZEALAND · NZ-A-00 · WALL MAP IN 9 PIECES

New Zealand

The 16 regions, the terrain, the national parks, the towns and the highways. The number in each circle is the region's fact sheet: **NZ-A-01** to **16**.

Scale 1:1,900,000 · 1 cm on the map = 19 km · north is up.

4,993,923	267,300	16	13
people (2023 Census)	km² in the 16 regions	regions	national parks

35° S

How to read the map

- Over 1 million people
- 100,000 to 500,000
- 25,000 to 100,000
- Town or destination
- Airport with international flights
- National park (DOC)
- Peak, with its height
- State Highway 1, the main highway
- Other State Highway, with its number
- Cook Strait ferry (by sea)
- Region boundary
- Region and its fact-sheet number
- River
- Lake

Height of the land

36° S

0 250 600 1,000 1,500 2,000 2,400 m

Hill shading assumes light from the northwest: slopes in shadow are darker.

Scale 1:1,900,000

0 50 100 150 200 km

Main sectors

Dairy · Sheep · Beef cattle · Fruit · Vineyards · Vegetables · Forestry · Meat processing · Accommodation & tourism

Each sector puts its symbol on its **top 4 regions** in New Zealand (figures in the table below). Construction, maintenance, logistics and drafting follow the population: more people, more work.

37° S

Town sizes: approximate category, from Stats NZ's 2023 Census. Names are the English names on the official NZ Gazetteer (LINZ); their Māori names are listed below.

MĀORI NAMES YOU WILL SEE ON SIGNS

Aotearoa New Zealand
Te Waipounamu South Island
Kā Tiritiri o te Moana Southern Alps
Tititea Mount Aspiring
Te Rerenga Wairua Cape Reinga
Mohua Golden Bay
